G.O. Ms. No. 2667. Dated 29-7-49.
Read:
From the Board of Revenue No.Rt. 3355 dated 28-6-1949.

O R D E R:

The Accountant General has brought to the notice of the Government in connection with the Appropriation Accounts for 1946-47 that the recovery of charges spent on the mainteance of bore wells and pumps from local bodies was estimated at Rs. 60,000 while the actual recovery made was only about Rs.3,734 during that year. The Board of Revenue states that according to the orders contained in G.O. No.1299 Public Health dated 10-4-1942, the Collectors are responsible for the recovery of maintenance charges from the local bodies concerned and that it has not been watching the recovery of these charges. In order to check serious delays in the recovery of the amounts due from the local bodies concerned, the Government consider that the Board of Revenue should keep a careful watch over the recoveries made by the Cillecters by obtaining from them periodical reports and subjecting those reports to close scrutiny. The Board of Revenue is requested to issue necessary instructions to all collectors and arrange for obtaining reports from Collectors and reviewing them.
